

Fjord Express to Juneau

A spectacular day cruise package through the legendary waters of Lynn Canal!

World Class Scenery • Wildlife Viewing • Whale Watching
Historic Lighthouses • Downtown Juneau • Mendenhall Glacier

Lynn Canal

Depart Skagway and Haines in the morning and head south through Lynn Canal, our continent's longest and deepest glacial fjord. Traveled

through the centuries by trappers and traders, gold rush stampeders, and modern day adventurers, these waters are rich in both human and natural history. Sailing in the shadow of the Coast

Range, view hanging glaciers and historic Eldred Rock lighthouse. Wildlife abounds here; watch bald eagles, harbor seals, porpoise, orcas and humpback whales. Stop at a rookery where Steller sea lions gather in the summer months to breed and pup.

The Fjordland

Our new 65-foot, state-of-the-art, fast-hulled catamaran, the MV Fjordland is specially designed for the waters of Lynn Canal. The

Fjordland offers comfortable, indoor seating with 360-degree views. Step onto our outdoor deck to experience breathtaking scenery up-close.

Juneau

Upon arrival in Juneau, board our motorcoach

for a tour of Juneau's highlights. See Alaska's state capitol building, the governor's mansion and downtown Juneau. Spend your afternoon having lunch, shopping and exploring. We

provide you with a walking tour map to orient you to Juneau's downtown attractions such as Mt. Roberts Tram, Red Dog Saloon, Alaska State Museum, Juneau-Douglas Museum and St. Nicholas Cathedral.

Our bus meets you downtown for a trip to famed Mendenhall Glacier before returning to the boat. Savor a hearty bowl of smoked salmon chowder while you sail north, en route to Skagway and Haines.
