

# Fortymile gold

Workshop/Studio

**DAWSON CITY, YUKON**

A working goldsmith studio and gallery featuring handwrought gold jewellery and original fine art by some of the Yukon's best artists and artisans

Leslie Chapman, the owner/goldsmith, uses natural 20k Yukon placer gold and incorporates local mammoth ivory, high quality northern Canadian diamonds, and other precious gems.

Leslie specializes in working with clients to design custom pieces. You are invited to drop by the shop or email to discuss your project.
